Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Pea Ridge Fire Station in fiscal year 2025. The entity to receive funding for this project is the City of Pea Ridge located at 975 Weston St. Pea Ridge, Arkansas 72751. The funding would be used to construct a new fire station for the Pea Ridge Fire Department. The new fire station would provide the growing City of Pea Ridge increased fire and EMS capacity and capability to protect its citizens and provide support to surrounding jurisdictions. This is a valuable use of taxpayer funds because it will enhance the safety of Pea Ridge residents and businesses.

The project has a Federal nexus because the funding provided is for purposes authorized by 7 U.S. Code Section 2250. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Steve Womack
Member of Congress
