The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth HOB  
Washington, DC 20515

Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Springdale Water System Improvements in fiscal year 2025. The entity to receive funding for this project is Springdale Water Utilities, located at 526 Oak Avenue, Springdale, AR 72764. The funding would be used for expanding sewer infrastructure over very difficult and challenging terrain to the eastern border of the city. The project is an appropriate use of taxpayer funds because currently minimal infrastructure is in place to serve a rural and sparsely populated area that would be significantly enhanced by sewer infrastructure.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Steve Womack  
Member of Congress
