Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Tontitown Water System Improvements in fiscal year 2026. The entity to receive funding for his project is the City of Tontitown, located at PO Box 305, Tontitown, Arkansas, 72770. The funding would be used for the construction of a gravity sanitary sewer system that will replace the city's primary sewer lift station. The project is an appropriate use of taxpayer funds because the proposed gravity sewer system will expand sewer capacity and enable properties within the city and surrounding region to connect to municipal sewer service.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305 (a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Steve Womack
Member of Congress
